# COMHAD CONFERENCE

## on Childhood Disability

1<sup>st</sup> National Conference on Childhood Disability  
Under the auspices of  
Commonwealth Association for Health & Disabilities (COMHAD, India).

**Venue : Hotel Victor Palace, Kolhapur.**  
**Date : 30<sup>th</sup> June 2013**

### Invitation

Dear Colleagues,

The history of COMHAD is now more than two decades old contributed positively in the field of prevention of disabilities, particularly due to birth asphyxia in commonwealth, more so in south Asian subcontinent.

This conference will provide a state of art updates on prevention and health care in pediatric disability. leading health care professionals from Maharashtra and other guests from states in India will lecture and conduct symposia on wide range of topics related to pediatric disability and development making it unique conference in breadth and depth of topics addressing all aspect.

The lectures of the conference are geared to professionals from all disciplines involved in care of children with disabilities as well as expertise involved in the field of normal development and health of children.

We hope that you can join us in Kolhapur an enchanting city for a delightful and fruitful conference that will advance the cause of children with disability.

It is our pleasure to invite you to attend 1<sup>st</sup> National level COMHAD conference on childhood disability which will be held in **Kolhapur on 30<sup>th</sup> June 2013.**
